

Request For Applications

**UCLA AIDS Institute / UCLA CFAR / UCLA Pediatric AIDS Coalition
are now accepting applications for the following:**

Basic and Translational Research

The UCLA AIDS Institute/Center for AIDS Research (CFAR) are accepting applications for seed grants to fund basic and translational studies with special emphasis on collaborative and multi-disciplinary studies. The UCLA AI/CFAR, UCLA Pediatric AIDS Coalition and other private sources will fund these seed grants.

Clinical Therapeutics and Biomedical Prevention

The UCLA AIDS Institute and Center for AIDS Research (CFAR) are accepting applications for seed grants to fund collaborative clinical studies relevant to HIV. Special consideration will be given to new investigators, high-risk, high-benefit projects and new research direction projects. These seed grants will be funded by the UCLA AI/CFAR and other private sources.

Prevention and Implementation Research

The UCLA CFAR and UCLA AIDS Institute are accepting Letters of Intent for this seed grant proposal to fund behavioral science research. The objective is to provide pilot funding for projects that will eventually be submitted to NIH and private funders to fund larger grants.

International Research on HIV/AIDS

The UCLA CFAR/AIDS Institute and UCLA Center for World Health are accepting seed grant proposals to fund global HIV prevention, clinical, and policy research. The objective is to provide pilot funding for projects that foster collaboration between UCLA and scientists from low- and middle-income countries, in order to stimulate HIV/AIDS research in these countries.

Biobehavioral Epidemiology and Substance Abuse

The UCLA AIDS Institute and Center for AIDS Research (CFAR) are accepting applications for seed grants to fund studies relevant to HIV in the new program section of Biobehavioral Epidemiology and Substance Abuse. Special consideration will be given to new investigators, high-risk, high-benefit projects and new research direction projects. These seed grants will be funded by the UCLA AI/CFAR and other private sources.

Fellowship Awards

The UCLA AIDS Institute/Center for AIDS Research (CFAR) are accepting applications to fund fellowship supplements for postdoctoral and graduate students working in HIV/AIDS. These seed grants will be funded by the UCLA AI/CFAR and other private sources.

Deadline for receipt of Letters of Intent: Monday June 27, 2016

*Instructions for formal proposals will then be forwarded to applicants whose letters of intent are approved. Formal proposals will then be due on **Monday September 5, 2016***
